

**REMARKS**

Claims 1, 3-18, 20, 23-27, and 30-33 are currently pending in the above-referenced patent application. Claims 19, 21-22, and 28-29 are cancelled by way of the present amendment. Claims 1, 8, 14, 17, 20, and 27 are amended by way of the present amendment.

**In the Office Action:** Claims 1, 3-18, 20, 23-27, and 30-33 are rejected under 35 U.S.C. § 102(e) as being anticipated by Jain et al. (U.S. Patent No. 6,144,375). In response to this rejection, the Applicants respectfully request reconsideration. These claims all recite real information. Real information is information on a real place which is a meaningful place in view of the contents of a moving picture.

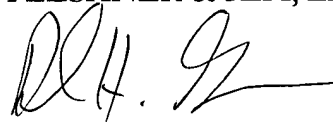

Jain et al. relates to a multi-perspective viewer for content-based interactivity. The Office Action states on page 2 that "...‘statistical information’ corresponds to the ‘real information’..." However, statistical information is not information on a real place which is a meaningful place in view of the content of the moving picture, as recited in claims 1, 3-18, 20, 23-27, and 30-33. In column 30, lines 49-15 and Figure 9, object 502 and display area 508 are disclosed. However, object 502 and display area 508 do not relate to real information that is information on a real place which is a meaningful place in view of the content of the moving picture, as recited in claims 1, 3-18, 20, 23-27, and 30-33. At least for these reasons, a *prima facie* case of anticipation has not been established.

**CONCLUSION**

In view of the foregoing amendments and remarks, it is respectfully submitted that the application is in condition for allowance. If the Examiner believes that any additional changes would place the application in better condition for allowance, the Examiner is invited to contact the undersigned attorney, Daniel H. Sherr, at the telephone number listed below.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this, concurrent and future replies, including extension of time fees, to Deposit Account 16-0607 and please credit any excess fees to such deposit account.

Respectfully submitted,
